

INCREASE YOUR PURCHASING POWER

EXTENDED PAYMENT TERMS FROM IGEL CAPITAL

Implementing the latest software and technology has never been easier. Extended payment options through IGEL Capital allows your business to access critical solutions today without the stress of solving how to pay for it.

IGEL Capital can fund the entire project on your behalf while also providing installment payment plans, low interest financing, deferred payments, and step payment structures.

THIS WILL ALLOW YOU TO:

- Increase purchasing power by spreading your costs over time.
- Manage technology investments through predictable monthly, quarterly, or annual payments with no upfront costs.
- Eliminate spikes in IT spending & lengthy budget approval process.

- **Installment Payment Plans**
- **Low Interest Financing**
- **Deferred Payments**
- **Step Payment Structures**
